

Our Services

Tripler

Welcome to the Power of Tripler.

Tripler is a new age, technology-driven and geographically distributed company - supported by a prestigious group of investors.

We offer three unique and AI-powered property leads services to its users:

- Get New SMART Leads
- Close Your Existing Leads
- Share Your Unwanted Leads

Founded in 2018, Tripler has developed some of the most impressive technology architecture in the property sector.

Backed by a R&D grant from the UK Government, Tripler's intelligent algorithms and matching engines are reinventing the way that property leads are shared, qualified, managed and closed.

No matter you lead requirements, Tripler can help.

Get New
SMART Leads

Tripler

Triple the potential of your property leads.

Tripler offers agents pre-qualified SMART Leads, which are 3X more likely to convert into a closed deal, thanks to our AI powered technology.

Here's how to get new SMART Leads in three simple steps...

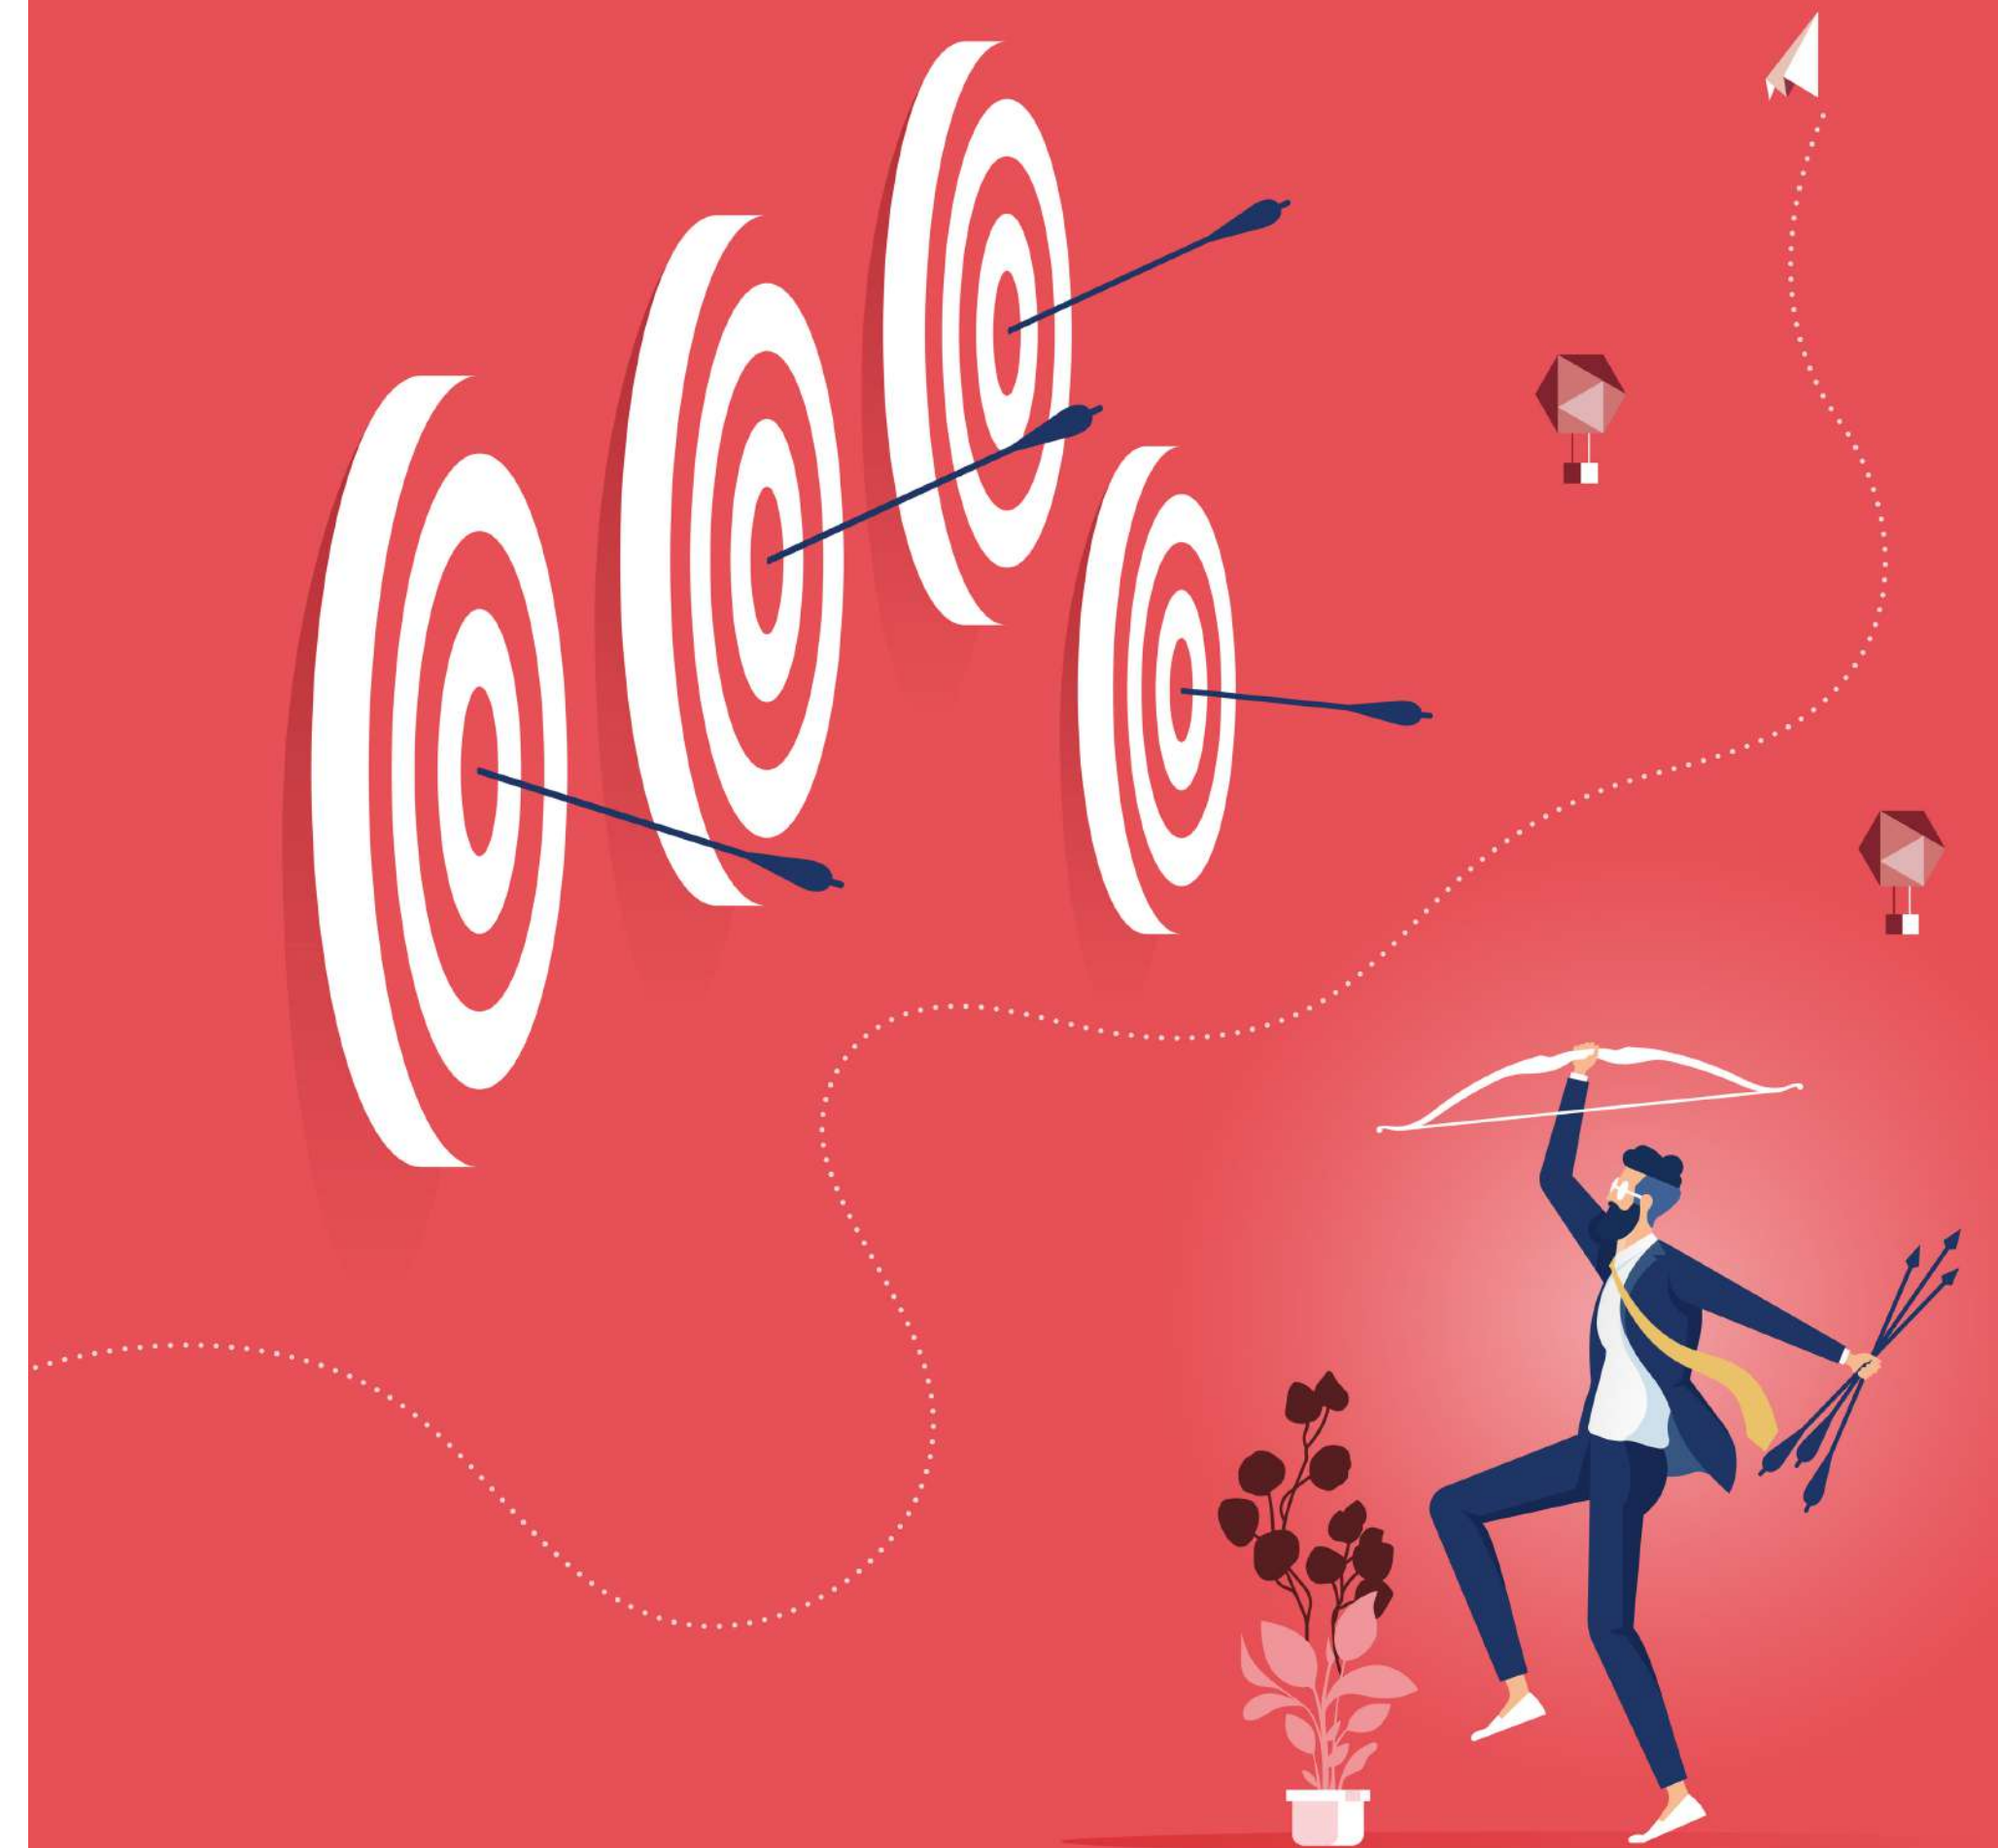

Download the Tripler app and sign up for free. Select your location and budget preferences to be matched with new SMART Leads.

The Tripler app is easy to use and free to download. It's available on your Android or IOS device, from the Google Play Store and the App Store.

Simply enter a few details to begin the matching process. By selecting your preferences, our AI algorithms can start to find you SMART Leads.

2

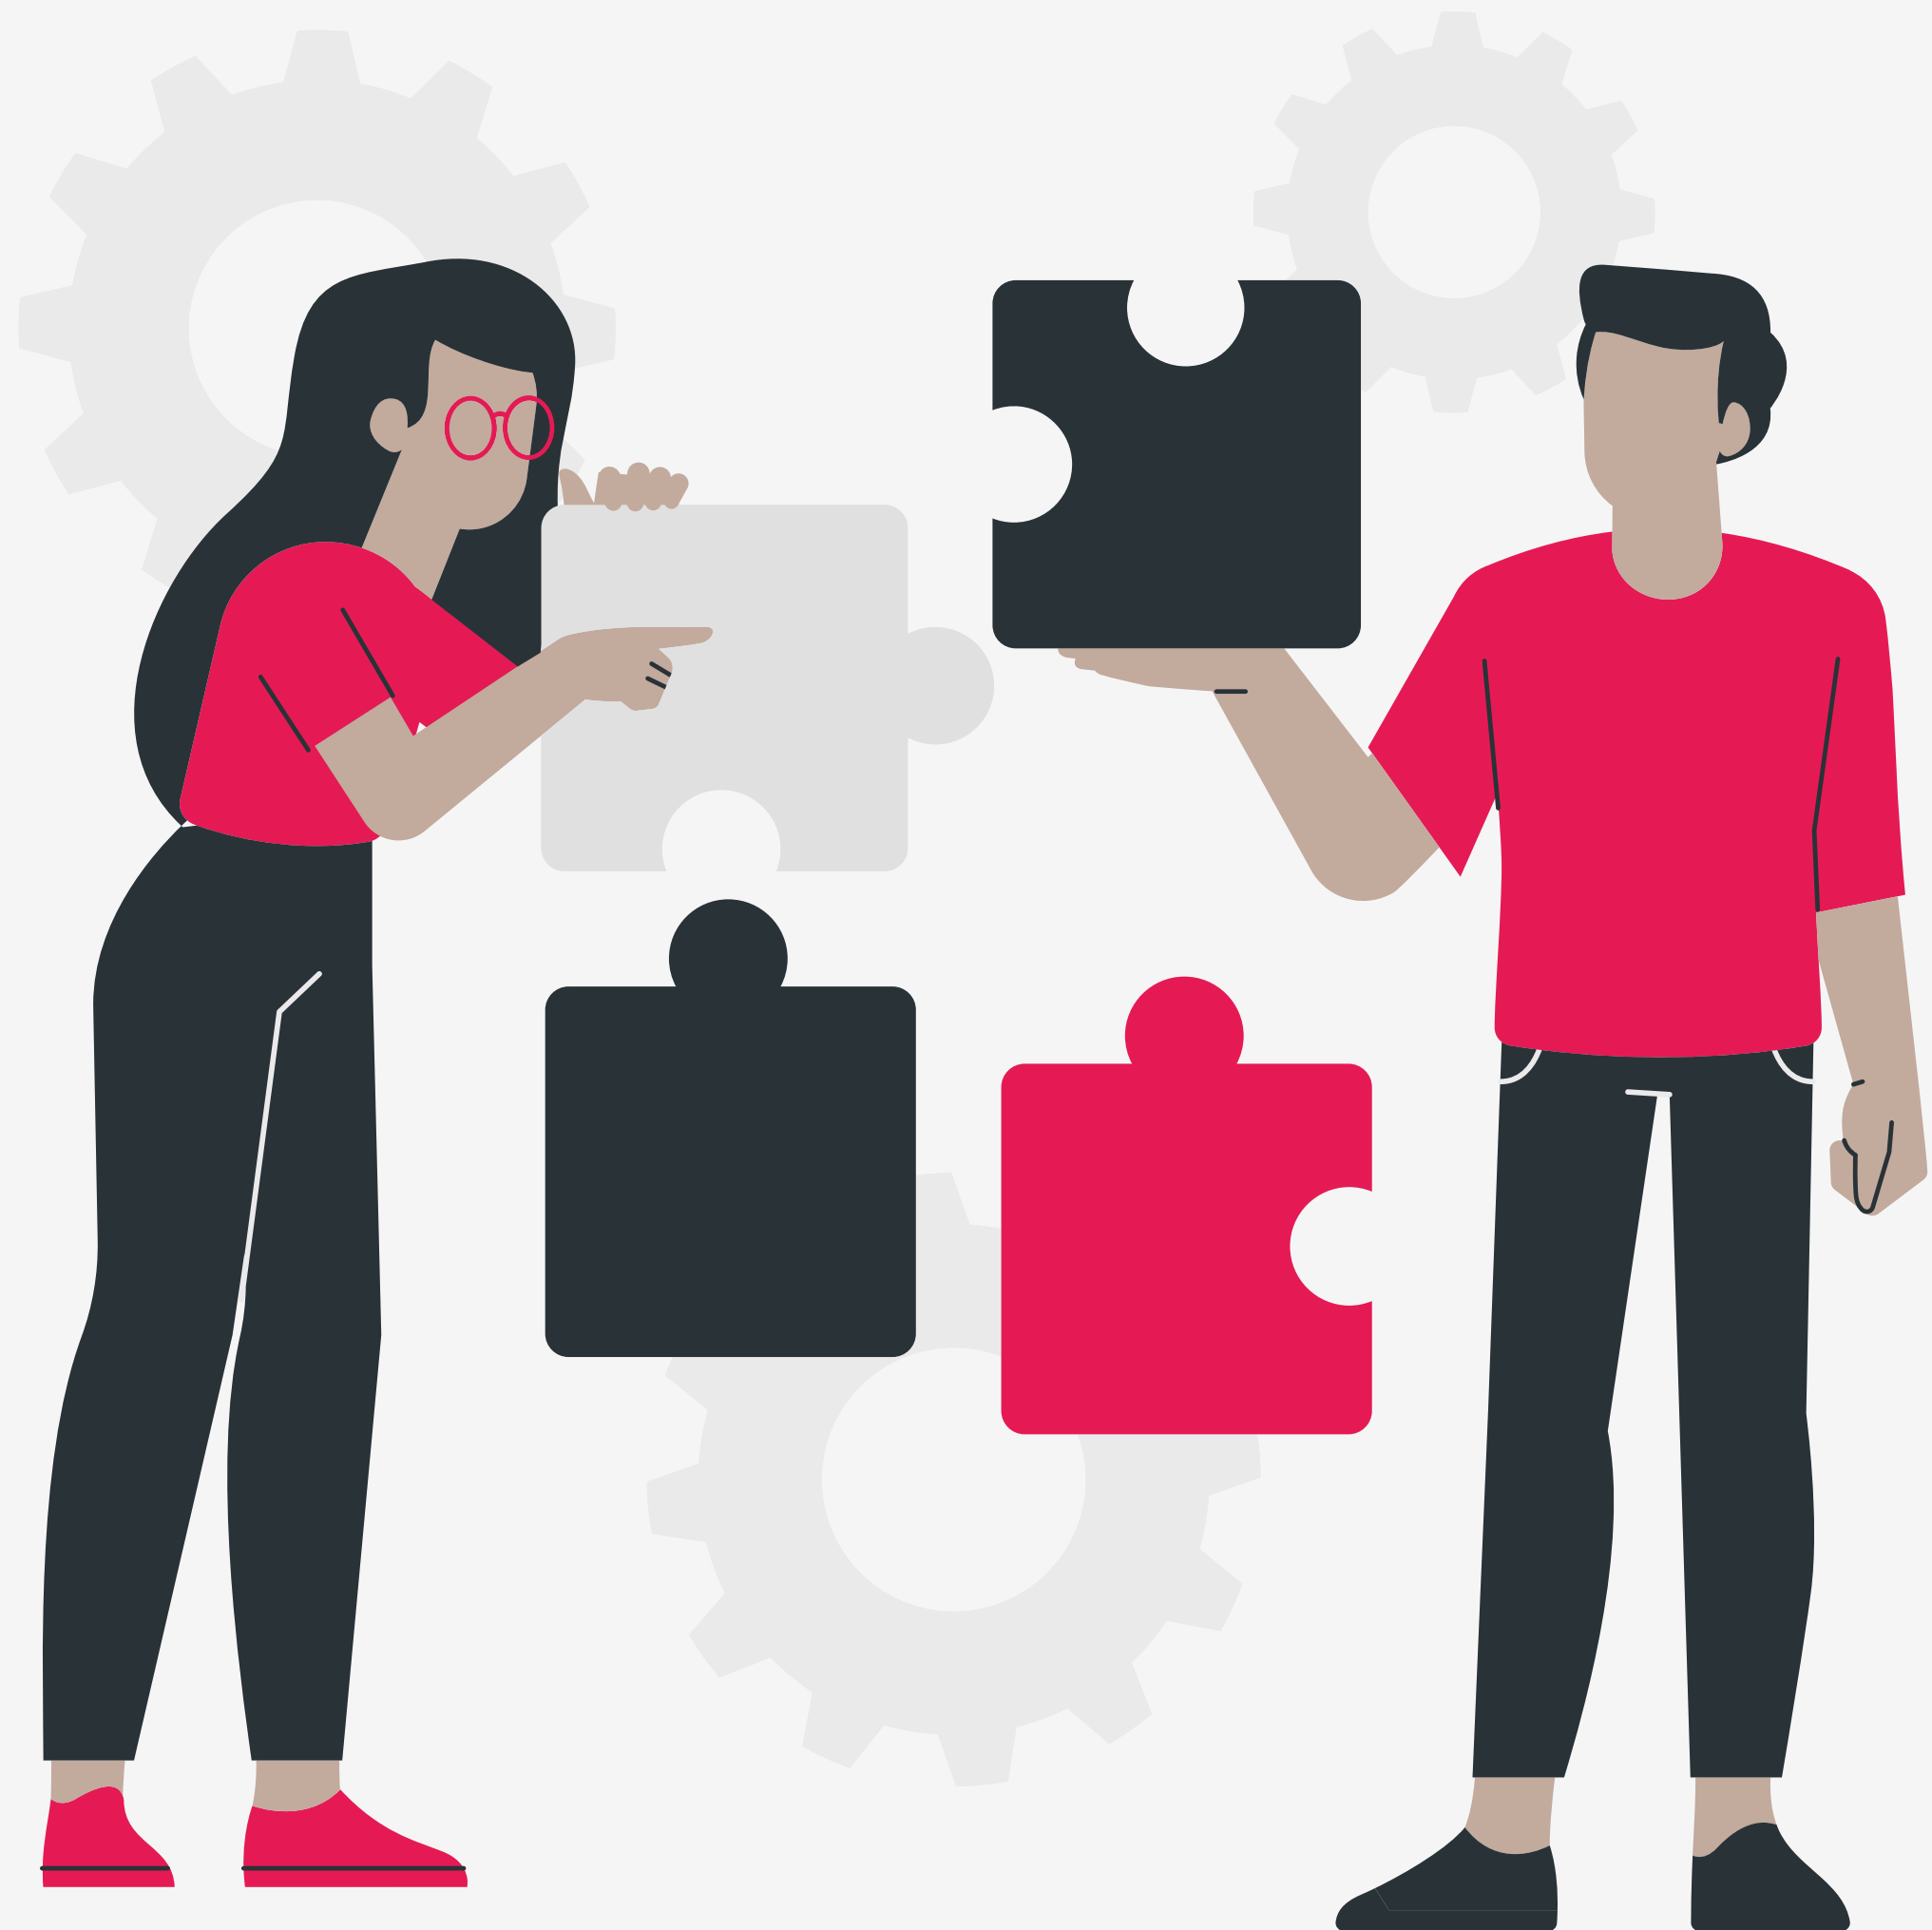

Get access to matched SMART Leads, which have been validated by our team and enhanced with AI technology.

Our representatives connect with leads to instantly validate and qualify their property requirements.

Each SMART Lead comes with 10+ new data points and a voice recording of the actual customer, explaining their property requirements in their own words.

Sign up for new SMART Leads through a simple monthly membership or an optional commission share.

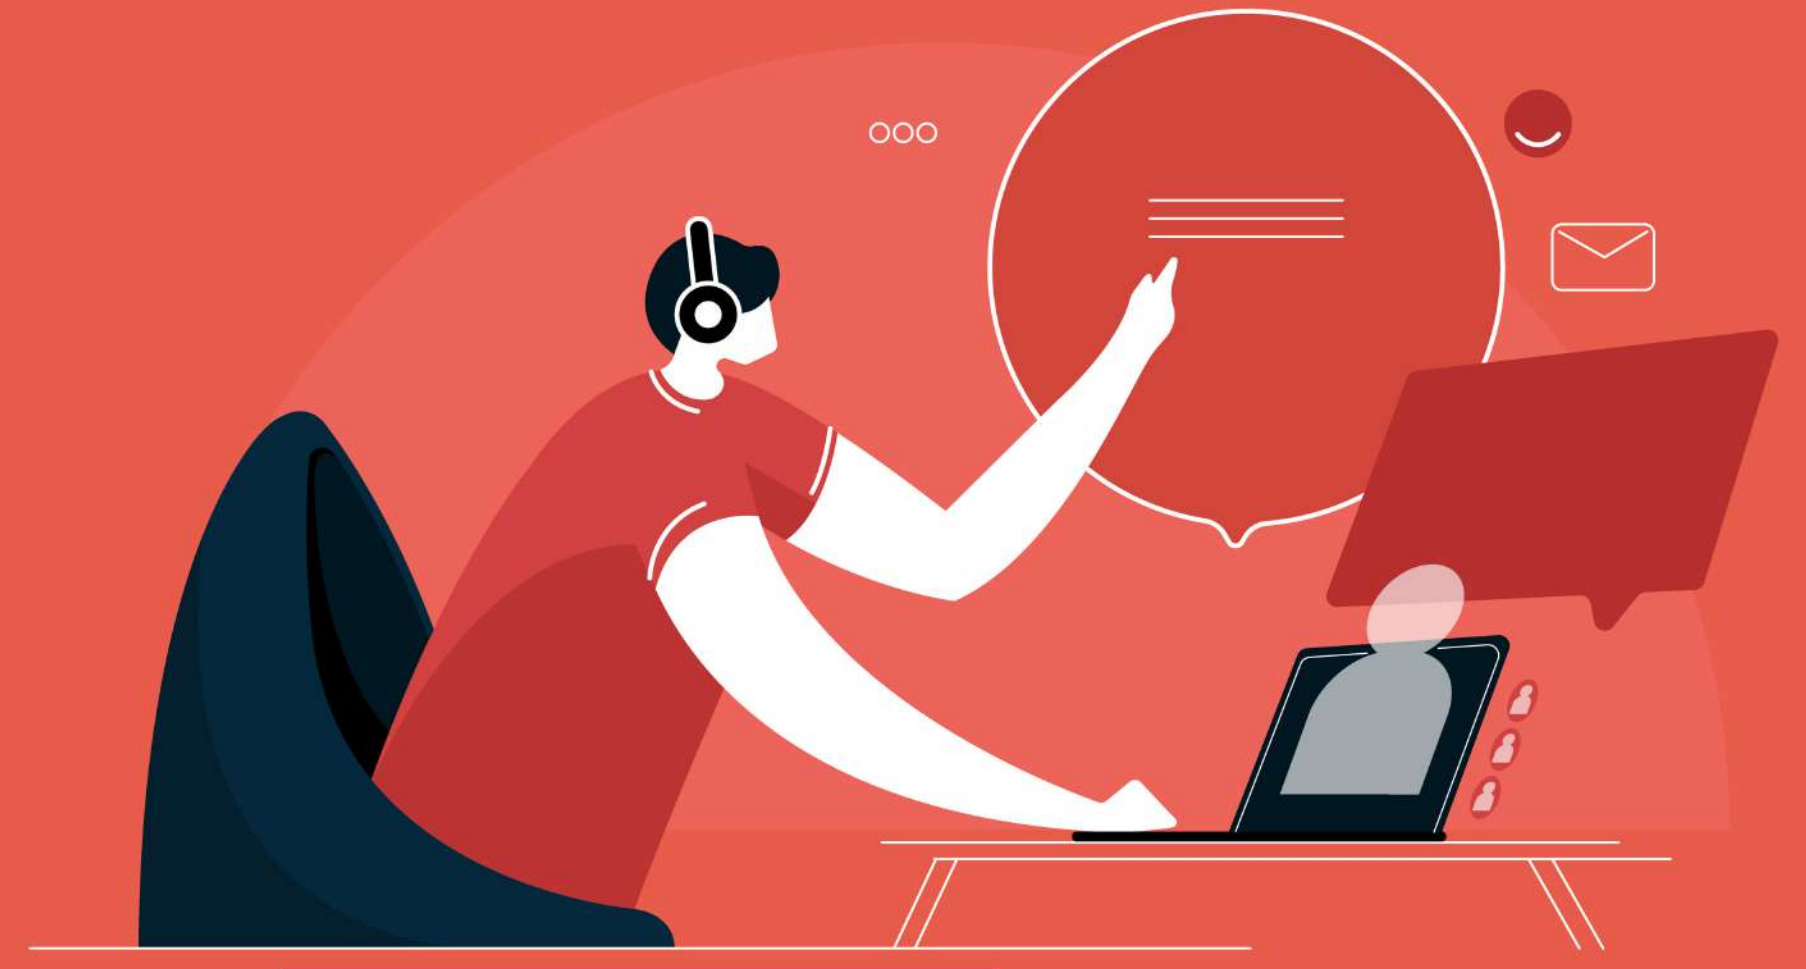

3

Claim a new SMART Lead, get instantly connected with the customer, and triple your chances of closing a deal.

Tripler's clever algorithm perfectly matches you with the perfect leads.

Matched agents will receive an alert through the Tripler App, where you can choose to claim the SMART Lead, which is 3X more likely to convert.

As soon as you claim a SMART Lead, a connection is instantly made. You can contact a matched customer immediately, to help them find their ideal property.

Close Your Existing Leads

Tripler

Triple the potential of your property leads.

Property leads can be hard to close. Now you can boost your existing leads and tripler their conversion potential. We convert your 'hard to close' leads into high potential SMART Leads.

Here's how to boost your leads in three simple steps...

Download the Tripler app and sign up for free. Then, simply enter your 'hard to close' leads. Your lead data will be kept confidential and fully protected.

The Tripler app is easy to use and free to download. It's available on your Android or IOS device, from the Google Play Store and the App Store.

You can share leads by manually entering individual leads, uploading an excel file or picture of your leads, or even sending multiple leads by email. All you need to provide is the name, phone number and email address of your lead, and indicate whether they are interested in renting or buying.

2

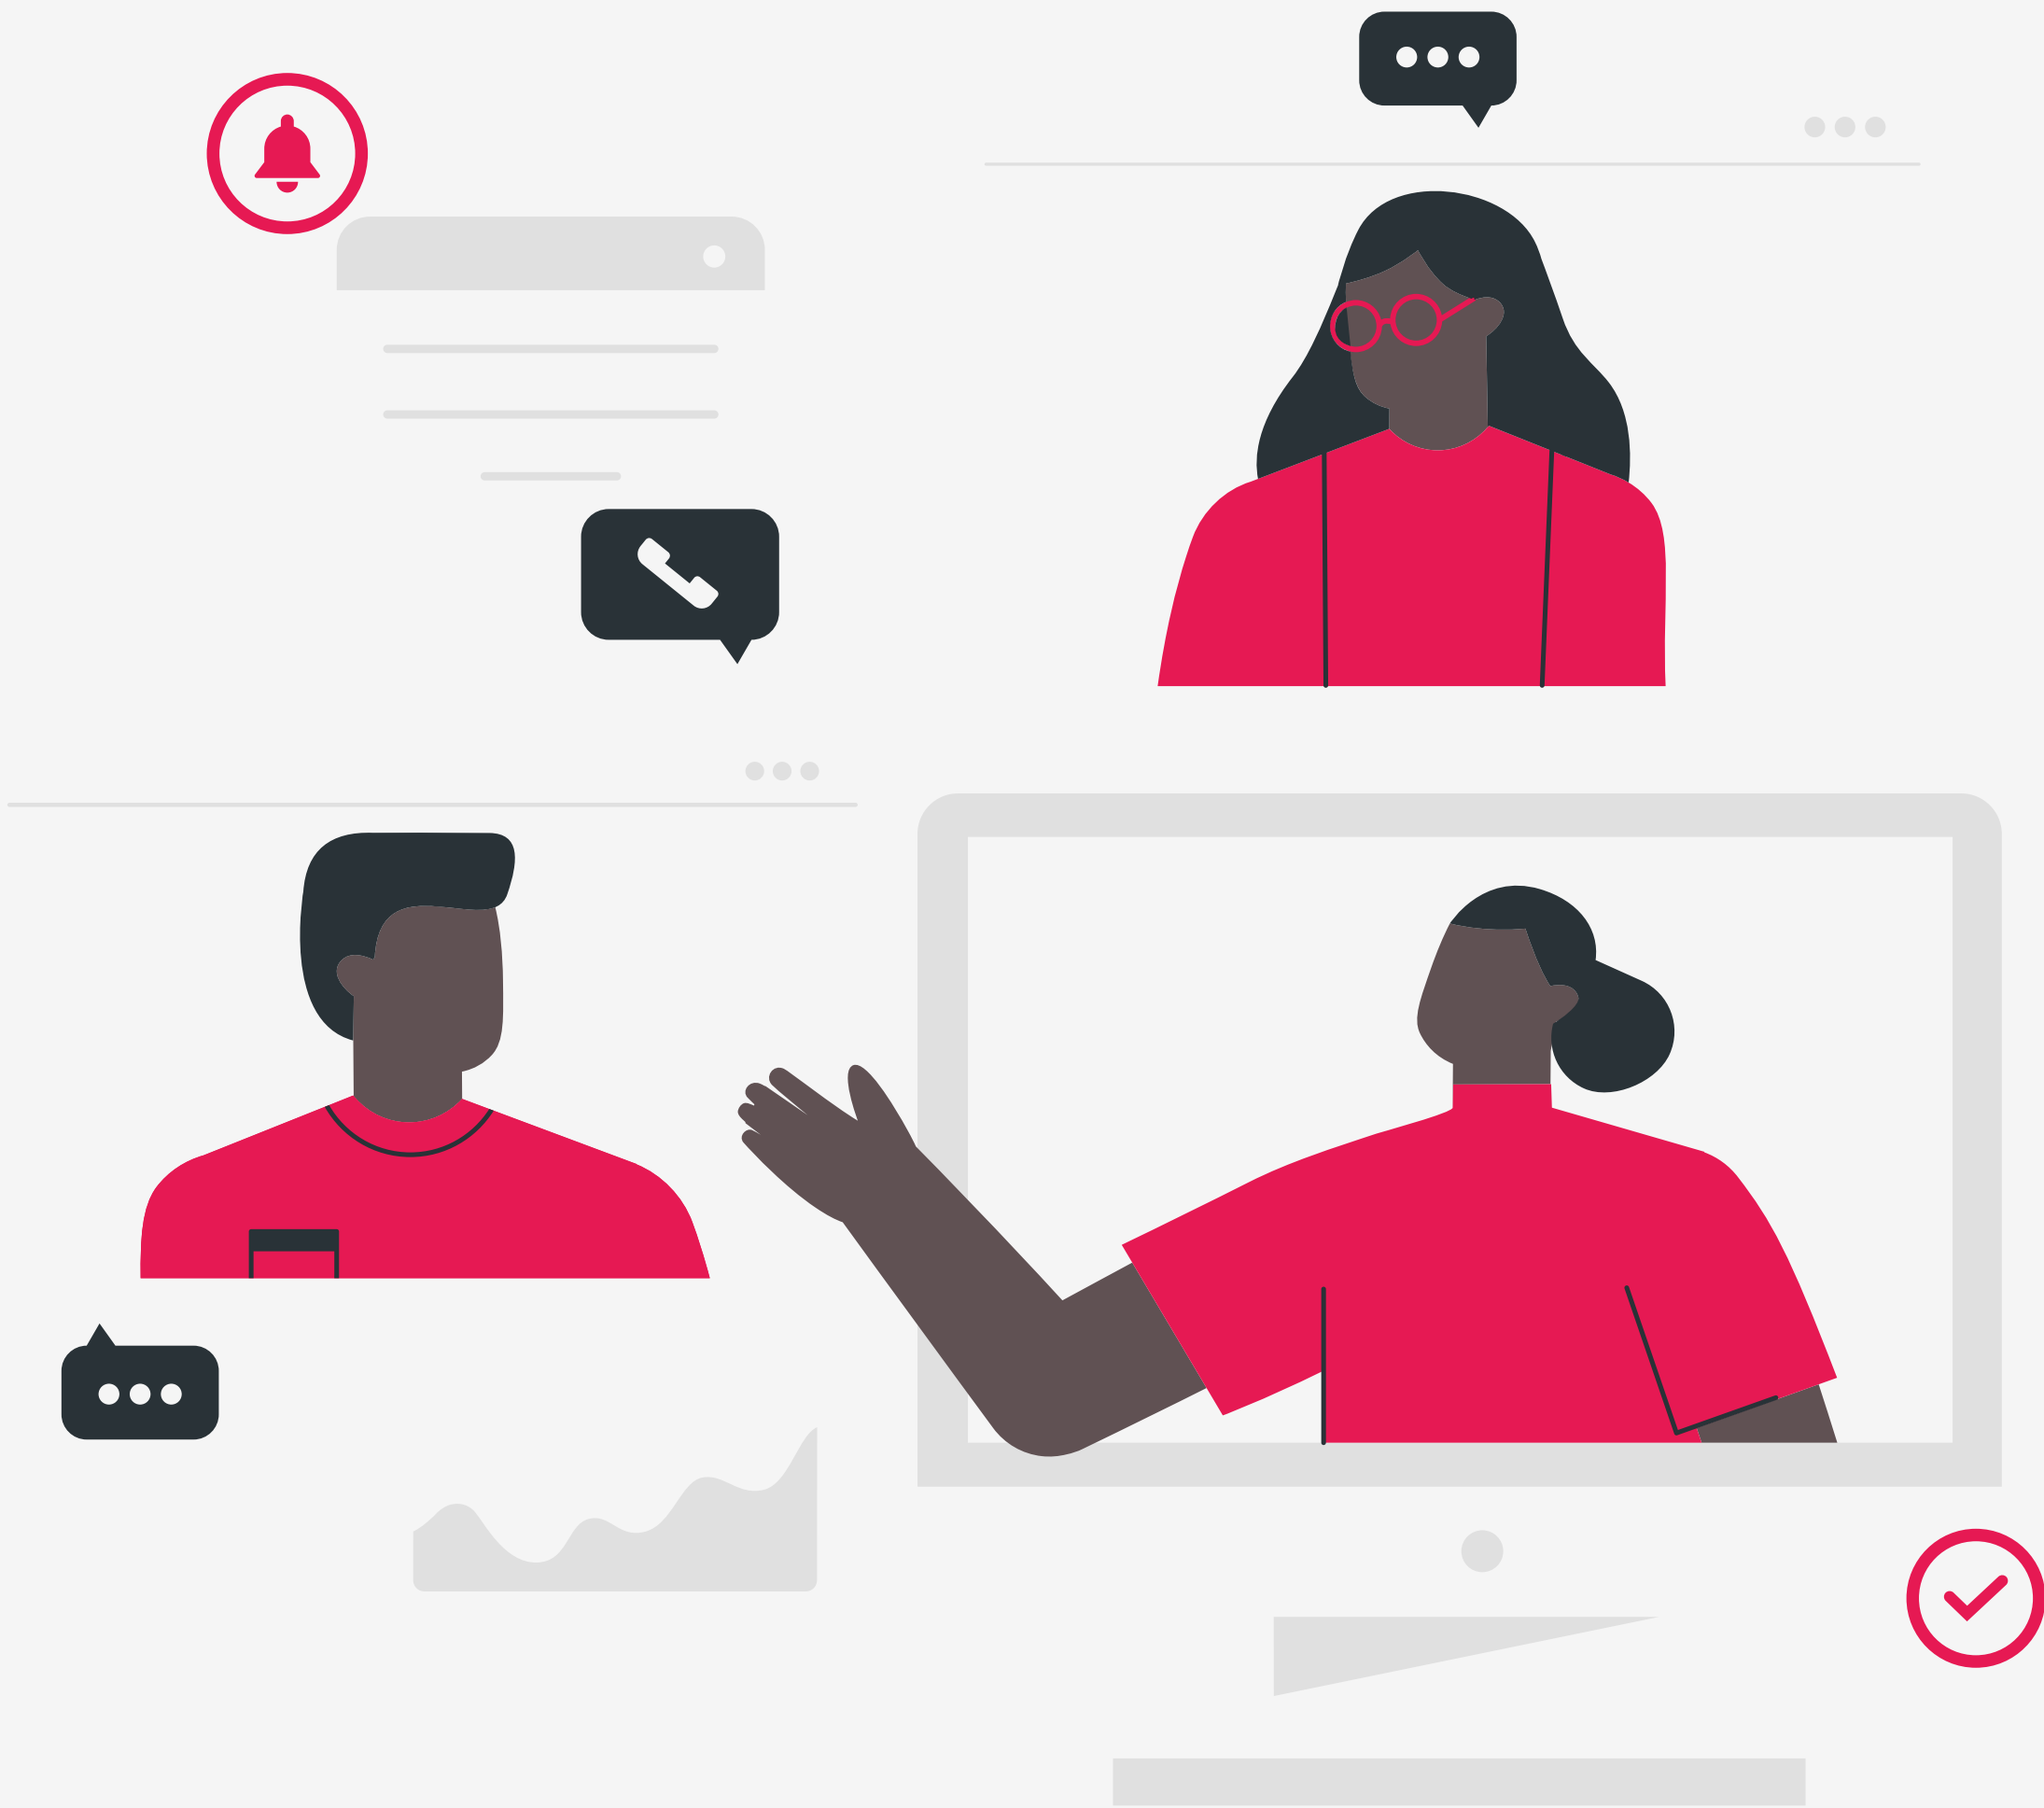

We instantly connect to the customer and qualify your lead using our AI-powered process.

By using the Tripler app, your leads can be quickly qualified and validated. Each

SMART Lead is boosted with over new 10 data points and a voice recording of the actual customer, converting them into SMART Leads.

All your leads still belong to you. Your data (and that of your leads) is fully protected throughout this process and is never shared with any 3rd parties.

3

Now you can reconnect with your SMART Lead and triple your chances of closing that deal.

Your new SMART Lead will be shared right back with you on the Tripler app, so you can connect with the customer right away.

You can choose to boost all your property leads with Tripler through a simple monthly membership or an optional commission share.

Share Your Unwanted Leads

Tripler

Triple the potential of your property leads.

Do you have any property leads that are unlikely to close? They may be low-budget, out-of-area, or slow-moving. Share your unwanted leads with Tripler and start earning.

Here's how to share leads and get paid upfront and straight away in three simple steps...

Download the Tripler app and
sign up for free.

The Tripler app is easy to use and free to download. It's available on your Android or IOS device, from the Google Play Store and the App Store.

While most referral platforms require deal closure, Tripler pays you for simply sharing leads. No deal closure needed. No long waits.

Once you have entered a few of your own details onto the app, you can start sharing leads.

2

Share your unwanted leads. Tripler will verify your shared leads within 24 hours.

You can share leads by manually entering individual leads, uploading an excel file or picture of your leads, or even sending multiple leads by email.

All you need to provide is the name, phone number and email address of your lead, and indicate whether they are interested in renting or buying (rental lead or sale lead).

As soon as you enter your unwanted leads into the Tripler app, we will verify them within 24 hours.

3

Once validated, you'll get paid for each lead – directly and straight away.

We endeavour to make our validation process as quick as possible, so you can get paid within 24 hours. Receive £5 per rental lead and £10 per sale lead (or equivalent in your currency) directly via PayPal or Bank Transfer.

As you are only sharing your lead with Tripler, you are still free to keep working on all the leads you share.

Easily view your earnings on the app's personal dashboard. The status of your shared leads is always readily available.
