

Get New  
SMART Leads

Tripler

Triple the potential of your property leads.

Tripler offers agents pre-qualified SMART Leads, which are 3X more likely to convert into a closed deal, thanks to our AI powered technology.

Here's how to get new SMART Leads in three simple steps...

Download the Tripler app and sign up for free. Select your location and budget preferences to be matched with new SMART Leads.

The Tripler app is easy to use and free to download. It's available on your Android or IOS device, from the Google Play Store and the App Store.

Simply enter a few details to begin the matching process. By selecting your preferences, our AI algorithms can start to find you SMART Leads.

2

Get access to matched SMART Leads, which have been validated by our team and enhanced with AI technology.

Our representatives connect with leads to instantly validate and qualify their property requirements.

Each SMART Lead comes with 10+ new data points and a voice recording of the actual customer, explaining their property requirements in their own words.

Sign up for new SMART Leads through a simple monthly membership or an optional commission share.

3

Claim a new SMART Lead, get instantly connected with the customer, and triple your chances of closing a deal.

Tripler's clever algorithm perfectly matches you with the perfect leads.

Matched agents will receive an alert through the Tripler App, where you can choose to claim the SMART Lead, which is 3X more likely to convert.

As soon as you claim a SMART Lead, a connection is instantly made. You can contact a matched customer immediately, to help them find their ideal property.
